How do we stop further restricting on our industry?  
Tired of government choking the life out of your  
business? Ask yourself these questions when wondering  
whether to support the MMH PAC. All contributions to  
the MO Political Action Committee go directly to  
support legislators who support us and there are zero  
administrative costs. The results can be huge compared  
to the few dollars spent. **Let your voice be heard.**

MO LAW: In order to contribute, businesses must be registered with the  
[MO Secretary of State](#). In addition, LLC's who do not file taxes as a  
corporation under the federal tax code, must also register with the  
[MO Ethics Commission](#).
